**A Brief History of Collecting  
New Media Art:****Conversations with Curators**

Steve Dietz is among the curators interviewed in this new book by Sarah Cook and Beryl Graham.

**Can You Spare a Dime?**

If you think what we do matters or is interesting and would like to help us continue our work, take a moment to donate a dime, a dollar or any amount that makes sense for you.

ZER01 is a 501(c)(3) non-profit dedicated to inspiring creativity at the intersection of art, technology, and digital culture. Make your donation [online](#) now.

**Biennial Tickets on Sale This Week**

The wait is almost over. Whether snapping up general admission tickets or ensuring you score entry to the more limited seating at performances and special events, beginning Thursday, May 20, tickets to the 2010 01SJ Biennial go on sale.

For those of you seeking a truly unique experience marrying food, art, and philanthropy, we recommend *Still Life with Banquet*.

Surrounded by lush footage of ingredients from the sumptuous meal returning slowly to their origins, you - the diner - become part of the art. Pairing the peerless talents of chef [Kitty Greenwald](#) and video artist [Grahame Weinbren](#), this once-in-a-lifetime event is not to be missed. Find out [more](#).

To purchase tickets to *Still Life with Banquet* (and beginning Thursday) all other Biennial ticketed events click [here](#).

**We're at the SF Fine Art Fair**

Come visit us at the [San Francisco Fine Art Fair](#). Back after a long hiatus it should be better than ever, especially as ZER01 is curating the entryway installation, *Inflatable Architectural Growth*, by [Chico MacMurtrie](#) as well as showcasing *Mortal Kombat Dance Dance Revolution* by [John Pierre Bruneau](#), and three iPad apps based on earlier work from [Scott Snibbe's](#) Dynamic System series.

Join us on Saturday, May 22nd from 1:30 to 3:30pm for a **VIP reception** and enjoy all day **FREE** access to the Fair. To register for your tickets, click [here](#).

**May ZSalon**

For our fifth ZSalon, Seattle-based [SuttonBeresCuller](#) (John Sutton, Ben Beres, and Zac Culler) will discuss how they transformed a display case and its intersecting column into a cabinet of curiosities known as a wunderkammer. [Small Wonders](#) will be on view at Mineta San Jose International Airport when the new wing opens this June.
